Prepared by,
Dr. Sadhya Purecha, Chair W20 India
&
Dharitri Patnaik, Chief Coordinator, W20 India
The G20 is a forum of the twenty largest economies in the world that meets regularly to discuss the most pressing issues facing the global economy. Together, the G20 accounts for more than 80% of world GDP, 75% of global trade and 60% of the population of the planet.
History of W20

2012
Leaders' Declaration of San Petersburg
Women's financial inclusion and education

2013

Hon. Prime Minister’s G20 Vision

“India's **G-20 presidency** will be inclusive, ambitious, decisive, and action-oriented. India will strive to ensure that the G-20 acts as a global "prime mover" to envision new ideas and accelerate collective action over the next one year.”

Honourable Prime Minister of India, Shri. Narendra Modi

- Diplomatic solutions to global issues
- Focus on food security and traditional food. Celebrate International Year of the Millet in 2023
- Clean energy and solutions to global climate crisis
- Women led development
W20 Engagement Group

The Engagement Groups are independent collectives that are led by organizations from the host country. They work with other organizations from G20 countries to develop policy recommendations that are formally submitted to G20 leaders for consideration.

W20 is the official G20 engagement group focused on gender equity. Its primary objective is to ensure that gender considerations are mainstreamed into G20 discussions and translate into the G20 Leaders’ Declaration as policies and commitments that foster gender equality and women’s economic empowerment.
W20 India Vision & Mission

Vision
To create a world of equality & equity where every woman lives with dignity.

Mission
Remove all barriers to women led development and ensure an enabling environment and ecosystem for women to thrive, transcend and transform their lives as well as others.
W20’s alignment with Sustainable Development Goals
W20 India Priorities

5 Key Priorities

1. Women's Entrepreneurship
2. Grassroot Women Leadership
3. Bridging the Gender Digital Divide
4. Education & Skill Development
